Top Ten Reasons
Our Kids Attend
Holy Cross Catholic School

HCCS parents in their own words:

10. The school is a **strong community** and we are a school family. It is great to know who your children's friends are. The students and families are terrific!

9. The **Extended-Care program** provides peace of mind for working parents. The children are involved in a safe, educational and loving environment beyond scheduled school hours.

8. **Parents are encouraged and welcomed** to be involved in their child's education.

7. The small setting is most attractive. It gives teachers and administration the **ability to address individual needs**. If there is a discipline problem it is dealt with in a positive and effective manner.

6. The class sizes provide a **safe and secure environment for the children.**

5. We love the **strong Early Childhood through Grade 8 model.** This offers opportunities for great interaction between all ages and all students work together on special projects.

4. Holy Cross offers an impressive, nutritionally based, **home-cooked school nutrition program.**

3. **WRISA Accredited** with high academic standards. Our students score very well on national test scores

2. The faculty provides an outstanding academic program, excellent specials subjects and **great preparation for high school and beyond,** academically and socially.

1. **Character Education, Catholic values and Faith Integration** are incorporated in the curriculum every day.
